Join Taps Across America: A Nationwide Tribute to Our Fallen Heroes

Musicians of All Ages and Abilities Invited to Sound Taps on Memorial Day

Harwich, MA – Each Memorial Day, Americans pause to honor the men and women who made the ultimate sacrifice for our country. **Taps Across America** invites musicians of all ages and skill levels to take part in a nationwide tribute by sounding “Taps” at 3:00 PM local time on Memorial Day.

Organized and sponsored by the nonprofit Taps for Veterans, **Taps Across America** has become a powerful tradition, uniting communities in remembrance and gratitude. Whether you are a professional musician, a student, or someone who simply wants to honor our fallen heroes, your participation matters.

“Each note of ‘Taps’ is a solemn reminder of the courage and sacrifice of our servicemen and women,” said Mark Paradis, Executive Director of Taps for Veterans. “This is a simple yet deeply meaningful way for musicians across the country to come together in tribute.”

How to Participate:

1. **Sign up** – Visit tapsacrossamerica.org to register and receive event updates.
2. **Sound Taps at 3:00 PM** – Play in a public space, at a memorial, in your neighborhood, or even from your front porch.
3. **Spread the Word** – Encourage other musicians to join by sharing your participation on social media using **#TapsAcrossAmerica**.

No formal ceremony is required—just a moment of reflection and respect. Last year, thousands of musicians from all 50 states participated, and this year’s event promises to be even larger.

We invite all musicians, music educators, veterans, and community leaders to take part in this moving tribute. Join us in ensuring that the echoes of “Taps” are heard across America as a solemn promise that we will never forget.
